

Notice of Availability of Draft Environmental Assessment for the  
City of Deming South Side Sewer and Water Improvements, Deming, New Mexico

Pursuant to the Council on Environmental Quality regulations that implement the National Environmental Policy Act, the U.S. Army Corps of Engineers (Corps), Albuquerque District, has completed a Draft Environmental Assessment (DEA) and Finding of No Significant Impact (FONSI) for a proposal to construct wastewater collection and water distribution lines on the south side of Deming, Luna County, New Mexico.

The proposed project would: 1) construct approximately seven miles of wastewater collection line; 2) construct approximately 5.7 miles of water distribution line; 3) construct a lift station to transfer wastewater to the existing treatment plant.

Public review of the Draft Environmental Assessment will begin on March 26, 2008 and will run for 30 days until April 25. Copies will also be available on the Corps web site at <http://www.spa.usace.army.mil> (go to FONSI/Environmental Assessments). A hard copy will be sent upon written request to the following address:
